

University of Tabriz

Faculty of Physics
Department of Theoretical Physics and Astrophysics

Thesis is Approved for the Degree
of PhD of Physics in Gravity and Cosmology

Cosmological Aspects of Massive Gravity Theory

Supervisor:

Dr. Amin Rezaei Akbarieh

First Co-Advisor:

Dr. Hossein Motavalli

Second Co-Advisor:

Dr. Lijing Shao

(KIAA, Peking University)

Researcher:

Sobhan Kazempour Ishka

September 2022
